Ahmed Khan is an outstanding talent currently making waves in the top level of professional cricket in Pakistan.

A genuine all rounder, Ahmed bowls with good pace and skill and is also a high quality batter. He really is an exciting prospect.

He is currently representing Abbottabad in first class cricket following some outstanding performances as a junior rising through the ranks. Aged just 20, he is already making a strong impact at the top level and is tipped by many as an international cricketer in the making. He has represented Pakistan Under 19s with distinction and represented his country at the 2022 world cup in the West Indies on the back of strong performances in the Asia Cup the previous year.

His current first class captain, Khalid Usman is a big fan of Ahmed and believes he has all the tools required to be an excellent club cricket professional. He is a very driven individual who is willing to put in the hard yards, with the ultimate goal of representing his country. he is also able to source his own accommodation in a few areas across the UK, particularly in the Bradford area, if required.

We think Ahmed could be one of the signings of the season for any club looking for a seam bowling all rounder in 2025. A genuine talent who would be a handful with the ball and score lots of runs with the bat.
