Ashwin Hebbar is a high quality cricketer who has enjoyed success both at home and abroad over the last few years.

A top order batter in first class cricket, Ashwin has represented Andhra with distinction and has a top record in India's top tier of domestic cricket. Since his debut in 2015, he has racked up some impressive numbers, particularly in white ball cricket, which ultimately earned him a place in the Delhi Capitals squad for the 2022 IPL tournament. he has x6 100s and x8 50s in List A cricket and currently averages a tick over 40. He has also excelled in T20 cricket where he averages just over 30 with a strike rate in the 130's and has x10 50s and x1 century in this format, some record. In red ball cricket he has respectable numbers also, with a best of 109 in the longer format of the game.

It could however be argued that Ashwin has saved his best form for the UK club scene. Heading over in 2018 to play for Penrith in the strong Northern Premier League, he simply dominated, making 1373 runs at an average of 72.26, with x7 hundreds and x5 half centuries for good measure. He also showed his all round prowess in league cricket, chipping in with 34 wickets with his seam bowling at an average of 19.06. he returned in 2019 to Heyside CC (stats to be confirmed) and is without doubt one of the best overseas options available for the 2025 summer.

A now qualified ECB coach, Ashwin is quite the option for any clubs seeking a top end run scorer who can contribute nicely with the ball and be a general good guy around the club, we recommend him highly.
