Kamal Singh, is a rising talent with a bright future in front of him. He made a memorable debut in first-class cricket for Uttarakhand during the 2019-20 Ranji Trophy, scoring a century in his very first innings against Maharashtra. This remarkable start immediately caught attention, showcasing his elegant left-handed batting technique and composure under pressure.

Kamal's List A debut came a year later in February 2021 during the 2020-21 Vijay Hazare Trophy, where he continued to build on his reputation as a versatile cricketer. He has represented Uttarakhand in multiple domestic tournaments across all formats, establishing himself as a key player for his state team.

His cricketing journey has been marked by consistent performances in youth cricket as well. Kamal has represented Uttarakhand at various age-group levels, including Under-19, Under-23, and Under-25 categories. His standout performance came last year when he finished as the second-highest run-scorer in the Indian Under-23 one-day category, underlining his consistency and potential at the national level.

Kamal is an elegant left-handed opening batter, known for his solid technique and ability to adapt to different formats. He is used to facing the new ball and possesses a reliable defensive technique. However, what sets him apart is his ability to accelerate and score runs all around the wicket, showcasing the versatility of his game. He is one of those players that is a joy to watch and has the ability to demolish attacks once settled. It is well worth a look at his video footage.

In addition to his batting, Kamal is also a competent off-spinner. His bowling has been used already at first-class level and he would without doubt be a strong all round option in club cricket.

Kamal is one of the brightest talents in Indian cricket and there is strong belief that he could be one of the stand out professionals in 2025. Beyond his cricketing skills, Kamal is also noted for his impressive character and strong work ethic, which will help him make a smooth transition into the next phase of his career, both domestically and internationally. He would be a gem for any club seeking a top end batter who can bowl off spin and would be a joy to host throughout the summer.
