Nabi Gul is one of Pakistans most consistent domestic performers.

A top order batter with a serious appetite for big runs, Nabi has forged a reputation as someone who can perform in various scenarios and in all sorts of conditions.

His record in first class cricket is very impressive. At the time of writing, he has x4 centuries and x2 half centuries in red ball cricket and has a more than healthy average of 34.96. In List A cricket he is also excelling and currently averages 39.16 in this format. He can bat anywhere in the top order and is used in a variety of roles by his team, he really is 'Mr dependable' with the bat. He also has a professional best of 148* and comes recommended by proven UK professional Usman Khalid as someone who would be a high quality professional in the UK, in any standard of cricket. He has the ability to bat according to the situation and can go 'through the gears' when required.

Not just a run churner, Nabi is a highly competent off spin bowler, and whilst his bowling has not been utilised at professional level (due to the strength of spin bowling options in Pakistan), he would be a genuine all round option in the UK. He was part of the Peshawar team which reached the 2025 Quaid-E-Azam trophy final and contributed consistently to the teams journey to the final, which was eventually won by Sialkot by one wicket in an absolute thriller.

Nabi is extremely keen to head to the UK for his first taste of life as an overseas professional, he would be a top choice for any club seeking a quality batter who will score a high volume of runs and bowl strong off spin. He would also be a

huge asset around the club with his experience and knowledge of the game and he is keen to pass this on to his team mates. His skill set and mentality to perform 'when it matters' make him an extremely attractive option for the coming summer.
