Rizwan Mehmood is a bright young talent with a massive future ahead of him.

A stylish top order batter who aged just 20 has already packed a heck of a lot in to his career and it is envisaged this is just the start of a journey which has international cricket well within its remit.

Rizwan currently represents Hyderabad Region in first class cricket and comes highly recommended by fellow CricX client Saad Khan. He hit the headlines with a blistering 136*, made from just 116 balls for SNGPL in List A cricket against a WPDA attack featuring the likes of Pakistan internationals, Ifthikar Ahmed and Khushdil Shah, a firm sign of the incredible talent he possesses. This performance at professional level come as no surprise to many observers in Pakistan who have earmarked him as a player of international potential for a long time. He has played for Pakistan Under 16s and 19s and is now firmly on the right path in the early days of his professional career.

Rizwan is also a competent leg spinner who feels he can contribute as a genuine option with the ball in club cricket. He therefore represents a genuinely exciting option for any club looking to bolster their ranks with a player who is a star in the making.
