Sunzamul Islam is a high quality, Bangladesh International left arm spin bowling all rounder with the perfect profile for club cricket.

One glance at Sunzamul's professional record tells you all you need to know about the pedigree he has. At the time of writing, he has taken 655 professional wickets and has scored 4,515 runs at the top level of Bangladesh domestic cricket. His performances have been deservedly rewarded with international call ups in both the Test and ODI formats. It is fair to say his domestic record would suggest he deserves more than his 4 overall international games, but a career which coincided with that of a certain Shakib Al Hasan may well have been a major contributing factor. To further evidence his quality, he has first class best figures of 9/80 with the ball and a top score of 172 with the bat. Some player.

He has long been regarded as one of his nations premier all rounders and is now seeking opportunities abroad to showcase his talents. We all know how well left arm spin bowling all rounders go in club cricket and in Sunzamul we may just be looking at one of the best options available to the market for the coming summer.
